Living Will

If you become terminally ill, and such illness is irreversible, and your death is imminent, do you want your doctors to *refrain* from using heroic measures (i.e., heart-lung machine, feeding tube, etc.) to keep you alive? (If you answer "yes," you are indicating that you want a Living Will. If you answer "no," you are indicating that you do not want a Living Will.)

Questions

If you have children or other beneficiaries whom you do not want to receive their entire inheritance unless they have reached certain ages, please indicate when they should receive distributions (*e.g., one-third at age 25, one-half of the balance at age 30, and the balance at age 35, etc.*). *Also, please indicate if there is anyone you specifically do not want to receive anything from your estate.*

Do any of your beneficiaries have a disability? If yes, please indicate which beneficiary(ies) is/are disabled, and briefly describe the disability(ies). If you believe that a beneficiary is likely to develop a *future* disability, please describe.

Do you have any financial obligations as a result of a prior divorce or separation? If so, please describe. Please also provide a copy of any divorce decree, settlement agreement, or marital agreement.

Do you have Umbrella Liability Insurance? If yes, please indicate the \$ level of your coverage.

Do you have Long-term Care Insurance that covers long-term nursing home or in-home nursing care?

Do you expect to receive an inheritance? If yes, from whom, and approximately how much?

Is there anything else that you would like us to know relative to your estate planning?
